

# I'm So Sick (T-Virus Remix) (Ft. Legion of Doom)

[Flyleaf](#)

I will break into your thoughts  
With what's written on my heart  
I will break, break I'm so sick, infected with  
Where I live  
Let me live without this  
Empty bliss, selfishness  
I'm so sick  
I'm so sick If you want more of this  
We can push out, sell out, die out  
So you'll shut up (shut up)  
And stay sleeping  
With my screaming in your itching ears I'm so sick, infected with  
Where I live  
Let me live without this  
Empty bliss, selfishness  
I'm so sick  
I'm so sick Hear it, I'm screaming it  
You're heeding to it now  
Hear it, I'm screaming it  
You tremble at this sound You sink into my clothes  
This invasion makes me feel  
Worthless, hopeless, sick I'm so sick, infected with  
Where I live  
Let me live without this  
Empty bliss, selfishness  
I'm so, I'm so sick I'm so sick, infected with  
Where I live  
Let me live without this  
Empty bliss, selfishness  
I'm so (I'm so)  
I'm so sick (I'm so sick)  
I'm so (I'm so)  
I'm so sick (I'm so sick)
