

The Canadian Snacktime Trilogy I: Snacktime

Barenaked Ladies

I wake up in the morning, I got to sleep at night
But a day without snack time that just isn't right
Oh snack time, oh snack time How I love the vision of people everywhere
In harmony together and each one has their share
Oh at snack time, oh snack time Snack time, snack time, talkin' 'bout snack time
Snack time, snack time, oh snack time Oh snack time, oh snack time
Oh snack time
