

# In The Next Room

## Neon Trees

There you go  
Messin' with my mind  
I am usually better when I lie  
There I go  
Stuck inside a shell  
And you're living on the other side  
A lovers carousel  
If you only knew Ooh  
I lose control  
When I hear your body move  
Through the walls  
In the next room  
Ooh  
I lose control  
When I hear your body move  
And I'm dying to break through  
To the next room You make love to everything you touch  
It's a natural reaction  
It's a sexual attraction  
You play me like I am made of strings  
I'm the violin, a melody  
I want your lips to sing  
If you only knew  
How hard it is to handle  
How bad I want this scandal Ooh  
I lose control  
When I hear your body move  
Through the walls in the next room  
Ooh  
I lose control  
When I hear your body move  
And I'm dying to break through  
To the next room  
Oh, to the next room  
Oh,  
Tell me 'my world revolves around you'  
Tell me 'boy I can't live without you'  
Tell me 'you're losing sleep tonight'  
'Cause I'll tell you straight

I'll never wait  
I won't take  
No, no, no, no, no, no, no  
Oh, I won' take no, no, no
