

# Texas Bound and Flyin'

**Jerry Reed**

Well if I can keep it on the ground  
When I put that hammer down  
Then I'll be Texas bound and a flyin'I've got my 10 in the wind  
Let it all hang out again  
'Cause how're you gonna win  
If you ain't tryingWell now we're all back together  
And we're burnin' up the road  
And that old sheriff's doggin' us today  
He thinks he's really got it cookin'  
Plans to do a lot of bookin'  
Only trouble he keeps lookin'  
Where we've already been!So if I can keep it on the ground  
When I put that hammer down  
Then I'll be Texas bound and a flyin'Well if I can keep it on the ground  
When I put that hammer down  
Then I'll be Texas bound and a flyin'I've got my 10 in the wind  
Let it all hang out again  
'Cause how're you gonna win  
If you ain't tryingNow 'Smokey and the Bandit'  
Is a tale you don't forget  
Every time you time your hear  
An engine scream and whine  
You have to think about ol' Bandit,  
Ol' Buford, Frog, and Fred, and Snowman  
Their story is a legend  
That will live on in time!So if I can keep it on the ground  
When I put that hammer down  
Then I'll be Texas bound and a flyin'
