Wide Awake

thenewno2

Aha
I'm so awake now
I'm wild at all
it's so late now and I'm tired
so tired that holds
I cross sweep, whip fields up my mind
I can't sleep until it's getting like
a cold sheets freezing in my signI get away uhh
and get away
That wake now cast desire
I concentrate on the things I must get right
no waste now keep an eye
on the time
Get away, uhh
and get away, uhh
