P Is For Power

Electrik Red

P is for power, the U is for used to
'Cause my P better than that P that you used to
Ain't got no money, ain't got no car
Ain't got no jewels, boy I'm a star
Ain't gettin' no bedtime, it's past your bedtime
Stay at your mama house
Ain't got no jet, you in debt
Ain't got no juice, can't get no fruit
You ain't paid, you can't get laid
You want this baby? Step off
You ain't gettin' no P, nope, nope
You ain't gettin' no P, nope, nope
You ain't gettin' no P
You ain't gettin' no P, nope
Ain't got no house, ain't got no clothes
Nothin' to fold, my bank account bigger than yours
You ain't no poppy
You are nothin', I'm together, you sloppy
You just a wanksta, you just a lame
You ain't no Jay-Z, you ain't no Wayne
You think you hot but you're not
You want a shot? Step off
You ain't gettin' no P, nope, nope
You ain't gettin' no P, nope, nope
You ain't gettin' no P
You ain't gettin' no P, nope

P is for power, the U is for used to
'Cause my P better than that P that you used to
One S is for superior, one S is for the sex
If you ain't had mine then you ain't had the best
The Y is for yes, vanilla
If you wanna try boy you gotta buy
The Y is for yes, vanilla
If you wanna try boy you gotta buy
Oh, I won't just fall into your eyes, oh no
And I don't know why you seem so aloft, oh no
Damn I kinda feel for ya, hold up I got a deal for ya
Give me yours and I'll give you mine

If you wanna lotta P let me see them dolla signs
Dolla signs
Let me see them dolla signs
Let me see them dolla signs
Let me see them dolla signs
You want the P, uh uh, you want me
You want the P, uh uh, you want me
You want the P, uh uh, you want me
You want the P, uh uh, you want me
You ain't gettin' no P, nope, nope
You ain't gettin' no P, nope, nope
You ain't gettin' no P
You ain't gettin' no P, nope
