When I am looking for you
I call your number
But I can't get through When I am looking for you
I call your number
But I can't get through When I am looking for you
I call your number
But I can't get through When I am looking for you
I call your number
But I can't get through There is a feeling in me
And I don't know why
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why
Is there a feeling in you
That you can't deny?
