Near Dark

Burial

Going out, I'm justI envied you I envied you Going out, I'm just I'm just not in it, at all People are still thereI can't take my eyes off you I can't take my eyes off you I can't take my eyes off you I can't take my eyes off youI can't take my eyes off you I can't take my eyes off youI envied you I envied youI envied you I envied you I can't take my eyes off youI envied you I envied you I can't take my eyes off youI can't take my eyes off you I can't take my eyes off youI envied you, girl I envied you, girlI envied you, girl I envied you, girl I can't take my eyes off youI envied you, girl I envied you, girlI envied you, girl
