

Down on You

Airbourne

When I was a boy I played with my toy
Every single day oh it was a joy
I didn't really see until she said to me
Have you ever kissed a girl between the knees? I said it's not just a memory
It's a gift the girl has given me
No it's more, it's a remedy
It's everything every woman needs I'm Goin' Down Down Down Down Down On You
I'm Goin' Down Down Down Down Down On You
I'm Gotta eat you up
Down Down
Yeah I can't get enough
Down Down
All the way down, down on you
C'mon on honey a 2 3 4
I can fix that bitter face,
When I put mine in that place
Make your honey run coz I love the taste
Put me to the test I'm better than the rest
I'm gonna do to you what I can do best It's not just a memory.
It's a gift the girl has given me
No it's more, it's a remedy
It's everything every woman needs I'm Goin' Down Down Down Down Down On You
I'm Goin' Down Down Down Down Down On You
I'm Gotta eat you up
Down Down
Yeah I can't get enough
Down Down
All the way down
Down On You
Down Down
Down Down
I'm goin' down on you (GUITAR SOLO) It's not just a memory.
It's a gift the girl has given me
No it's more, it's a remedy
It's everything every woman needs I'm Goin' Down Down Down Down Down On You
I'm Goin' Down Down Down Down Down On You
I'm Gotta eat you up
I'm Goin' Down Down Down Down Down On You
I'm Goin' Down Down Down Down Down On You

Coz you taste so sweet
Down Down
Yeah you know what I mean
Down Down
Coz I can't get enough
Down Down
I'm Gotta eat you up
I'm going down
Down On You
