

Chills

Bay B Kane

Light another cigarette
And maybe by the end of it you'll have changed
 Make a mental note to self
To dig a deeper wishing well next year
 Still, you are the only thing I fear
 You give me chills (x3)
Sentimental waking up or sleeping in a coffee cup

It seems
 You're so high the sky is scared (?)
And you're in my nightmares and my dreams
 Still you are the only thing I need
 You give me chills (x3)
 And then you leave me cold
 Still you are the only thing I feel
