

# Once More

## Starlings, TN

Once more  
Forever 'til the end of time  
Forever found  
Think what you may but honey I ain't blind  
Lost in the shuffle like a child all alone  
Countin' my days for the end is my home  
Once more  
Forever 'til the end of time  
Once more  
I kill myself again  
Once more  
I'm a slave 'til the goddamn end  
Lost in the shuffle like a child all alone  
Countin' my days for the end is my home  
Once more  
Forever 'til the end of time
