

# Outta My Mind (feat. PnB Rock)

**N.O.R.E.**

I know I haven't been perfect, but give it some time  
There's not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find  
Oh, but not a single day goes by where you don't cross my mind All the days spent on my mind  
All the times that I'd say that we'll be together, we'll be together, oh  
All the ways to see through my heart  
I know the good intentions, they won't be lost forever, won't be lost forever, oh And I know I haven't been  
perfect, but give it some time  
There's not a single day goes by where you don't cross my mind  
And we spend our lives looking for things we can't find, oh  
Oh, but not a single day goes by where you don't cross my mind  
Not a single day goes by where you don't cross my mind  
Not a single day goes by where you don't cross my mind All the hours spent on the line  
All the times that you'd say that I never listen, I never listen  
Through the conversations we've had 'til four AM  
You say you want something different (hey), want something different
