

What If You Came Back to Me

Angela Predhomme

What If You Came Back to Me

(verse 1)

You strolled right in on page 23 of my book about love and
things I wish could be and fresh flowers bloomed in
sequence as we walked by
I fell so hard and it went so fast, I guess whirlwind
things sometimes don't last
and I found myself, wishing we would have tried
And I'm wondering here tonight

(chorus)

What if you came back to me
Just wipe the past and
join me in my fairy tale
What if we could instantly
Forget the reasons we're apart.

(verse 2)

A big loud boom through my sugar-sweet world
when we came crashing down, it was all I heard
I stood strong but I, was curled up and crying inside
You rule my mind with your ripped up jeans and you own my
soul with that smile that beams
now this time around, I'm betting it just might fly
And I'm wondering here tonight

(repeat chorus)

(bridge)

I remember dancing close
and how you melted me
I relive each tender touch
Now this just shouldn't be and I miss you
Oh, I miss you.. I love you, still
Ahhhhhhhhhhh

(chorus)

What if you came back to me
Just wipe the past and

join me in my fairy tale
What if we could instantly
Forget the reasons weâ€™re apart.

(chorus 2)

Just come on back to me
Weâ€™ll leave the past and
start a little fairy tale
I know that weâ€™ll instantly
Forget the reasons we were apart.
