Let's Come Together

Kevin Levar & One Sound

Let us come together and worship the king
Let us come together as one let us sing
Let us come together laying everything aside
Let's worship Jesus Christ
One that bled and died
One that gave his life
Let us come together and worship the king
Let us come together as one let us sing
Let us come together laying everything aside
Let's worship Jesus Christ
For these next few hours
Let's praise the one with all power
He deserves the glory
He deserves the honor
For these next few minutes we gonna put everything we have in it
We give the praises due
For the Lord been good to you
Gods been good
Gods been good to you
Lets come together and worship the Lord
Let us come together our hearts on one accord
Let us come together with one heart and voice
Lets make a joyful noise
Leader: Let us come together with singing and dance
Choir: Singing and dance
Leader: Let us come together lifting up holy hands
Choir: Up holy hands
Leader: Let us come together transparent and true
Everyone: Lord we give our hearts to you
For these next few hours
Let's praise the one with all power
He deserves the glory
He deserves the honor
For these next few minutes we gonna put everything we have in it
We give the praises due
For the Lord been good to you Gods been good
Gods been good to you
If we come together so many souls will be saved
If we come together so many souls will be changed

If we come together so many bound will be free
Their be free
We got to come together (Unison 4x)
We got to come together (3 parts 2x)
We got to come together (Inverted up 2x)
I need you
You need me
We're all apart of God's family
So lets not fight
Lets not fuss
Lets worship Jesus (Repeat 2x)
Jesus (Repeat)
We got to come together Let the walls down that divide your body
