Killed by Love

Alice Cooper

I've got more to lose
More to lose than you
Cause I'm the only one in love
Between us twoI know that I've been struck
By lightning from above
Cause I've been killed by loveI got a longer fall
A longer fall to take
Cause I'm a bigger fool
With a bigger heart to breakYou pushed me way to far
A push became a shove
And I was killed by loveDrop me off in a crowded lonely city
Everybody there was crying
Drop me off in a town without pity
And let me be the one that's dyingKilled by love
Killed by love
Killed by love
Oh bye, bye, loveKilled by love
Killed by love
Killed by love
Killed by loveKilled by love
Killed by love
Oh, bye, bye, love
Oh, bye, byeKilled by love, oh yeah
Killed by love
I'm thinking fast, baby
Killed by loveYou know
You're killing me, baby
Baby, baby
Oh bye, bye, love
