

# Killed by Love

Alice Cooper

I've got more to lose  
More to lose than you  
Cause I'm the only one in love  
Between us two I know that I've been struck  
By lightning from above  
Cause I've been killed by love I got a longer fall  
A longer fall to take  
Cause I'm a bigger fool  
With a bigger heart to break You pushed me way to far  
A push became a shove  
And I was killed by love Drop me off in a crowded lonely city  
Everybody there was crying  
Drop me off in a town without pity  
And let me be the one that's dying Killed by love  
Killed by love  
Killed by love  
Oh bye, bye, love Killed by love  
Killed by love  
Killed by love  
Killed by love Killed by love  
Killed by love  
Oh, bye, bye, love  
Oh, bye, bye Killed by love, oh yeah  
Killed by love  
I'm thinking fast, baby  
Killed by love You know  
You're killing me, baby  
Baby, baby  
Oh bye, bye, love
