

Annabel Lee

Stevie Nicks

It was many and many a year ago
In a kingdom by the sea
That a maiden lived
Whom you may know
By the name of Annabel Lee This maiden, she lived
With no other thought
Than to love and be loved by me She was a child and I was a child
In this kingdom by the sea
We loved with a love
That was more than a love
I and my Annabel Lee With a love that the winged
Angels of heaven
They coveted her and me And the moon never beams
Without bringing me dreams
And the sun never shines
But I see the bright eyes
I lie down by the side The angels, not half
So happy in heaven
Went envying her and me
That was the reason as all men know
In this kingdom by the sea That the wind came out
Of the cloud that night
Killing my, my Annabel Lee And the moon never beams
Without bringing me dreams
And the sun never shines
But I see the bright eyes
I lie down by the side But our love was stronger
By far than the love
Of those who were older than we
Many far wiser than we Neither the angels in heaven above
Nor the demons down under the sea
Can ever dissever my soul from the soul
Of the beautiful Annabel Lee And the moon never beams
Without bringing me dreams
And the sun never shines
But I see the bright eyes
I lie down by the side I lie down by the side of my darling
My life, my life and my bride
I lie down by the side I lie down by the side, my darling

My life, my life and my bride
I lie down by the side
I lie down by the side
I lie down by the side I lie down by the side of my darling
My life, my life and my bride
I lie down I lie down by the side of my darling
My life, my life
I lie down by the side of my darling
My life, my life and my bride
I lie down I lie down
I lie down by the side
