

How

Regina Spektor

How can I forget your love?
How can I never see you again?
There's a time and place
For one more sweet embrace
And there's a time, ooh
When it all, ooh
Went wrong I guess you know by now
That we will meet again somehow Oh, oh, oh, oh baby
How can I begin again?
How can I try to love someone new?
Someone who isn't you
How can our love be true?
When I'm not, ooh
I'm not over you I guess you know by now
That we will meet again somehow Time can come and take away the pain
But I just want my memories to remain
To hear your voice
To see your face
There's not one moment I'd erase
You are a guest here now So baby
How can I forget your love?
How can I never see you again?
How can I ever know why some stay, others go?
When I don't, ooh
I don't want you to go I guess I know by now
That we will meet again somehow Time can come and wash away the pain
But I just want my mind to stay the same
To hear your voice
To see your face
There's not one moment I'd erase
You are a guest here now So baby
How can I forget your love?
How can I never see you again?
