Invisible Girl

Kasey Chambers

Every morning I wake up
And think of what I could have done
To make you see that I'm the one you need

And every afternoon I sit down
To think of how to be around you
Day and night until the end of time

But I am invisible to you, invisible to you
I'm lost in the crowd again
I'll go down in history all over the world
As the invisible girl

Every evening I shut my eyes
To wonder why you never noticed
Never knew, all I think about is you

And every night I try to keep myself asleep
'Cause in my dreams I totally see
You want to be with me

But I am invisible to you, invisible to you
I'm lost in the crowd again
I'll go down in history all over the world
As the invisible girl

Just wait a minute, I don't ever wanna wake up
I'll leave the heartache in the back of the car
It's not that you have never looked straight through me
No running circles like a bug in a jar
And make me leave you, only see me

'Cause I am invisible to you, invisible to you
I'm lost in the crowd again
I'll go down in history all over the world
As the invisible girl

Yeah, I am invisible to you, invisible to you
I'm lost in the crowd again
I'll go down in history all over the world

As the invisible girl
