

# What a Nice Surprise

## Rey Pila

This new reaction  
Makes people shout  
The passing fashion  
A sew the mouth  
Try it out for free  
Don't remember the fee  
Try it out see  
Ah we see it used to be  
Ooo...  
Somebody tell me what to do  
Somebody tell me what to do  
I put my trust in you  
And I said ooo...  
Somebody tell me what to do  
Somebody tell me what to do  
I put my trust in you  
The satisfaction  
Is all about  
Forcing attraction  
And pushing doubt  
Trying it out for free  
Don't remember the fee  
Try it out and see  
Ah we see it used to be  
And I said ooo  
come take us out  
And I said ooo  
come help us out  
Ooo...  
Somebody tell me what to do  
Somebody tell me what to do  
I put my trust in you  
And I said ooo...  
Somebody tell me what to do  
Somebody tell me what to do  
I put my trust in you  
Ooo...  
Come take us out  
oh I said ooo...

Come join us out

Oh I said ooo...

Come take us out

Oh I said ooo...

Come help us out

Oh I said ooo...
