

# Louder, Harder, Better (Kuuro Remix)

Galantis

Are you the one, from my side of town?  
Maybe, maybe  
It's hard breathing in, it's hard breathing out  
Lately, LatelyOh  
Louder, harder, better  
Oh  
As good as it ever getsAre you the one, from my side of town?  
Maybe, maybe  
It's something you want, as wrong as it is  
Lately, lately, lately, latelyOh  
Louder, harder, better  
Oh  
As good as it ever gets, better  
Oh  
Louder, deeper, better  
Oh  
As good as it ever getsOhOh  
Louder, harder, betterAs good as it ever getsAre you the one, from my side of town  
Maybe, maybe  
It's hard breathing in, its hard breathing out  
Lately, lately, lately, lately, lately, lately, lately, lately  
As good as it ever getsOhOh  
Louder, harder, better  
Oh  
As good as it ever gets
