Marie Jeanne

George Baker & George Baker Selection

We've been a long time together
But I must leave you today
I said I love you forever
Someday I'll be here to stayGood bye, Marie-Jeanne
We're waiting for the summer
Then we dance and then we sing
I will give you everything
The we build our house upon the hill
Good bye, Marie-Jeanne
I be back in the summer
Flowers in your golden hair
Feel the magic in the air
The we build our house upon the hill
La, la, la, la - la, la, la, la, la, la
La, la, la, la - la, la, la, la, la, laI know it ain't easy, my darling
The whole winter time on your own
But I will be back, that's a promise
Before that our baby is born
Good bye, Marie-Jeanne
We're waiting for the summer
Then we dance and then we sing
I will give you everything
The we build our house upon the hill
Good bye, Marie-Jeanne
I be back in the summer
Flowers in your golden hair
Feel the magic in the air
The we build our house upon the hillLa, la, la, la - la, la, la, la, la, la
La, la, la, la - la, la, la, la, la, la
