

You're Nothing But a Girl

The Tokens

You're nothing but a girl,
as silly as it seems,
you're nothing but a girl,
yes, it'll always in my dreams. You're nothing but a girl,
and then I'll have to find,
You're nothing but a girl,
yes, you'll always on my mind. (Instrumental) No, no, no, no, no, no... You're nothing but a girl,
it'll show me what you do
you're nothing but a girl,
Yes, there's nothing without you. No, no, no, no, you're nothing but a girl,
no, no, no, no no....
