

Sister Rose (Various Production Remix)

Ian Brown

Free that girl
The one that glows she knows
She rules the world
Free that girl
The one that glows she knows
She rules the worldShe said
Call me sister rose
I'm at war with all these posers
And these frauds
I want 'em out
Let freedom reign
Let hope stand firm on fields of doubt
Then she led me by the hand
And took me to the promised landFree that girl
The one that glows she knows
She rules the worldShe said I'm just like a rose
I'm beautiful and I can hurt you
With my thorns
Don't squeeze too tight
Cause I can blow up in ya face like dynamiteShe said
Call me sister rose
I'm at war with all these posers
And these frauds
I want 'em out
Let freedom reign
Let hope stand firm on fields of doubt
She said take me by the hand as
I can lead you to the promised landShe said I'm just like a rose
I'm beautiful and I can hurt you
With my thorns
Don't squeeze too tight
Cause I can blow up in ya face like dynamiteCause I can blow up in ya face like dynamite
