# Ordinary Life

## Liquido

What has come of you
Fadin into gloom
Blackening everything
that we achieved
Thought I felt kill
An underrated skill
Catching but heavily
quite a disease
Givin some crap
It is to show you
where my head is at
It's but a shame
This is some
Ordinary life
Some ordinary life
Some ordinary life
Some ordinary...Now i know the score
The storyline you store
Has but an end
that you will not release
Requiring a plan
Some pattern for the clan
And nothing is quite
what it seems
Didn't i swear
It such a beautiful dress
that you wear
It's but a game
This is some
Ordinary life
Some ordinary life
Some ordinary life
Some ordinary life
Some ordinary
