Advisory - the following lyrics contain explicit language:

My girlfriend got into my car,  
Told me to listen to her new CD.  
What the fuck are you smoking?  
Do I look 14? No trust me, it's so great,  
I'm totally hashtag team Tay Tay.  
Come on just give it a play.  
Later on I dropped her off,  
She left her new Taylor CD,  
So I decide to put it on.  
What's the worst that could happen?  
Oh my God! What a sick beat?  
Her voice sounds so  
Soft and sweet.  
All these lyrics are relating to me.  
I could listen to this till my life ends. So I listen while I'm lifting,  
She gives me energy,  
And I listen in the shower,  
When I'm making love to me.  
I listen when I'm hurting,  
Her ballads are everything,  
It's like I'm never lonely,  
Like she's my best friend! She's always tweeting,  
Inspirational quotes,  
And then I read them,  
At the time when I need them most.  
I think about her,  
When I'm having sex with my girlfriend,  
Because she is my soulmate,  
What? I gotta make a plan. First I have to get rid of,  
My current girlfriend.  
I have to make it look like it,  
Was an accident, like,

Hey Lisa, get in here quick,  
Your dog is barfing I think it's sick,  
Oh no there is so much blood.  
Now I don't have a girlfriend,  
Hey Taylor, here I come.  
I got your address,  
Thanks to google maps dot com.  
I got your favourite flowers,  
A tattoo of your name.  
I hope you feel the same baby,  
'Cause I'm on my way.Oh you look so cute up in your bedroom,  
Oh I can't wait to be up there with you soon,  
Hey sir, who are you? Can I help you?  
Sure, smell these flowers don't you think they smell good.Now I'm opening up the front door,  
I think I smell her scent.  
Now I'm checking out her knick-knacks,  
We both like Titanic.  
And then I hear a loud scream,  
I turn around and see,  
It's my beautiful Taylor,  
Taylor it's me!Then she runs away screaming,  
L O L she's so funny,  
She locks herself in her bathroom,  
Guess we're playing hide and seek.  
Oh silly Taylor baby,  
I can hear you breathe,  
Hey remember your hit song,  
You belong with me!So she runs into the bedroom,  
She's playing hard to get.  
I get distracted by the closet,  
She looks so pretty in red.  
Hey Tay Tay can you wear this,  
The first time we make love?  
Just give me a kiss, baby,  
You'll feel the same.I guess I was all wrong,  
Maybe we're not soulmates.  
I misread the situation,  
I had another destiny.  
I'm not supposed to be with her,  
I'm supposed to be her,  
But I can't be her,  
So I'll just wear her face!
