World War 4

Feel alone
All I do is say
I alone can be your kindThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
When I feel awakeClose your eyes
Everything I've seen
I this time can be your mindThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
Then I feel awakeLet God cry
Then I'll wash it away
Let God cry
Then I'll wash it awayDry your eyes
Everything must change
I this time can be your lifeThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
Then I feel awakeLet God cry
Then I'll wash it away
Let God cry
Then I'll wash it awayThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
I can feel it come back home
So homePlease
Let
My
My sonThis is not the same
I am not the same
I can feel you come in two and three

This is not the same
I am not the same
Then I feel awakeThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
This is not the same
I am not the sameLet God cry
Then I'll wash it away
Let God cry
Then I'll wash it awayThis is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
I can feel it come back home
So home
