Free My Mind (RAC Remix)

Katie Herzig

My mind is like a heavy hand
Always makin' more of really happen
A critical imagination
Always working overtime
Maybe this is what the world will see
The tiny little version of the Tallest Tree
In optical illusion of the human mind
Posing as a real life
I never had my mind made up before the bombs dropped
And if I ever do decide to take a chance, Oh
The heart that keeps me holding on
[Chorus]
It'll be my mind, awaken my mind
Awaken my mind, open my eyes
Free my mind, awaken my mind
Awaken my mind, open my eyes
We like to watch the world go by
Paint a beauty picture with a perfect light
Build a happy home to live inside
Working 'till the sunrise
But I haven't see a dream to keep
To spend another day, counting sheep
Seven in a row will make a week
Enough to disappoint you
I never had my mind made up before the "bum" dropped
And if I ever do decide to take a chance, Oh
The heart that keeps me holding on
[Chorus]
It'll be my mind, awaken my mind
Awaken my mind, open my eyes
Free my mind, awaken my mind
Awaken my mind, open my eyes
Never had my mind made up
No, I never had my mind made up
No, no, I never had my mind made up
Never had my mind made up
Never had my mind made
Never had my mind made up
No, I never had my mind made up

Oh, no, I never had my mind made up
Never had my mind made up
Never had my mind made
[Chorus]
It'll be my mind, awaken my mind
Awaken my mind, open my eyes
Free my mind, awaken my mind
Awaken my mind, open my eyes
Be my mind, awaken my mind
Awaken my mind, open my eyes
Free my mind, awaken my mind
Awaken my mind, open my eyes
