Bad Love Gone Good

BlackHawk

My heart's walking on a thin line
A new love is coming on strong
There comes a time
When you just gotta move onShe never really understood me
She tried to take me for all I had
She left me with nothing but a heartache
A good love gone bad
But you loved me like she never could
It was a bad love, a bad love gone goodA bad moon's coming over my shoulder
A good love in the pale blue night
I'm holding on to you in a brand new lightI never knew what I was missing
Your love took me by surprise
Locked away inside her prison
Till you opened my eyes
But you loved me, like she never could
It was a bad love, bad love gone goodShe never really understood me
She tried to take me for all I had
She left me with nothing but a heartache
A good love gone bad
But you loved me like she never could
It was a bad love, a bad love gone goodBut you loved me like she never could
It was a bad love, a bad love gone good
A bad love gone good
A bad love gone good
