

# Slow Release

[Andy Bell](#)

I need some dedication  
'Cause I'm partial to the truth  
We could live a life of leisure  
But the bills are through the roof I was feeling empty  
Until you came along  
But some words you left unspoken  
Let's call it slow release Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
I need some inspiration  
I don't know what's up with me  
You fill my life with meaning  
We were always meant to be Gave me something to believe in  
And leave my mind in peace  
Never felt such dedication  
Let's call it slow release Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release  
Let's call it slow release
