Right Said Fred

Ooh yeah' surrender me a kiss
"et me loose on you inch by inch
The one and only reason is fun fun fun
Well baby' we've only just begunDon't talk just kiss
We're beyond words and sound
Don't talk just kiss
"et your tongue fool around
"et's fool aroundOoh yeah' there's people there's love
You and I both apply to the above
The one and only reason is fun fun fun
Well baby' we've only just begunDon't talk just kiss
We're beyond words and sound
Don't talk just kiss
"et your tongue fool aroundHuh'huh we're wasting precious time
Don't talk kiss' make it mine
The one and only reason is fun fun fun
Well baby' we've only just begunDon't talk just kiss
We're beyond words and sound
Don't talk just kiss
"et your tongue fool aroundCome on' come on' come on' come on
Fool around
Surrender your love to meDon't talk just kiss
We're beyond words and sound
Don't talk just kiss
"et your tongue fool around"et's fool around what d'you say
