

Moving Too Fast (Ian Carey Remix)

Supafly Inc.

Give it a chance
We can love again
In my crazy world
I gave you everything you wanted babe
 You said you loved me
 I Said I loved you too
 Even in the craziest times
 When we fault we made love
 I held you closely
 You opened up your heart to me
 Time after time we dealt with it
 This time I know were see it through
 You'll always be the one for me
 Baby girl I'm feeling you
 Time after time we dealt with it
 This time I know were see it through
 You'll always be the one for me
 Baby girl I'm feeling you
 Ooh ooh were moving too fast
 Trying to get through
 Like walking on broken glass
 Just shoo and move
 Is all the things of the past
 Give it a chance
 We can love again
 We can work it out
 We can work it out
 Don't be hasty girl
'Cause when I'm gone you miss me
 Don't try to push me
'Cause you are my babyboo
 Tell me what I've done
 To make you feel un easy
 'Cause I'm falling for you
 I raise my hand I'm guilty
 Time after time we dealt with it
 This time I know were see it through
 You'll always be the one for me
 Baby girl I'm feeling you

Ooh ooh were moving too fast
Trying to get through
Like walking on broken glass
Just shoo and move
Is all the things of the past
Give it a chance
We can love again
We can work it out
We can work it out
No matter what you say
Or what you do
The time has come
For us to see this through
No matter what you say
Or what you do
The time has come
For us to see this through
Ooh ooh were moving too fast
Trying to get through
Like walking on broken glass
Just shoo and move
Is all the things of the past
Give it a chance
We can love again
We can work it out
Ooh ooh were moving too fast
Trying to get through
Like walking on broken glass
Just shoo and move
Is all the things of the past
Give it a chance
We can love again
We can work it out
Time after time we dealt with it
This time I know were see it through
You'll always be the one for me
Baby girl I'm feeling you
Time after time we dealt with it
This time I know were see it through
You'll always be the one for me
Baby girl I'm feeling you
Give it a chance
We can love again (love again)
