

# Heavens Gate

Advisory - the following lyrics contain explicit language:

allen / cox / gray  
One is for the decent times  
And two is for the same  
Well number three is for the big fat sinners  
And four is heaven's gate There's a soul invasion here  
The soul invasion is mine  
Love is in a vacant tree  
I'm going to pick and choose what's mine There's a show inside of heaven's gate  
And the sinners are taking a bath  
Heaven is a season and the season is time  
I'm going to sit right back Ha ha ha  
Ha ha ha With you by my side  
I hardly know I speak the truth  
I'm an easy equation  
As I step inside of heaven's gate Here beside heaven's fountains  
I'm washing my hands with time  
I'm washing my legs with truth  
I step inside of heaven's gate  
I walk inside of heaven's gate  
I run inside of heaven's gate Ha ha ha
