And you gon' need more than stitches to patch that leak up
Chump like me up my mouth TB'd up
With the plush leather guts steady grippin' the butt
Oh, you fo' sho' with it, then pull yo pistol
Show a nigga you ain't hoe with it
And I ain't selfish I will let you and your folk feel it
Talkin' big boy shit, me muggin' like a motherfucker my hand on my dick
'Cuz at a grip we keep it jumpin' like it ain't nuttin' new
We started off with shake 'em off so look potna oh guess who
It's them boys from the bottom who took you down 85
And hit you with that U-Way so rookie don't be surprised
We buckin' blowin' killa and sippin' on something good
I'm peepin' out the scenery and wishin' a nigga would
In case it just might pop I'm 'bout ready to lock and load
To take you through the South to show you how we throw dem bows
If you don't give a damn, we don't give a fuck, hey
If you don't give a damn, we don't give a fuck, hey
If you don't give a damn, we don't give a fuck, hey
If you don't give a damn, we don't give a fuck, hey
Don't start no shit, it won't be no shit
Don't start no shit, it won't be no shit
Don't start no shit, it won't be no shit
