

# Headlights (SE1 Live Session)

## Morning Parade

Late like the evening sun, I  
I sink to the ground.  
But I'll keep my promises, I  
I won't let you down.'Cause like a rabbit in your headlights  
I am the beckon to your call.  
And like the early morning headlines,  
I am all too predictable.  
I am all too predictable.(Oh oh oh-oh.)You're steady as I come undone, you  
You're quietly bound.  
But I'll keep my promises, I  
I won't let you down.'Cause like a rabbit in your headlights,  
I am the beckon to your call.  
And like the early morning headlines,  
I am all too predictable.  
Yeah, I am all too predictable.True like the first born,  
Weighed pound for pound.  
I'll keep my promises, like  
A thorn in your crown.  
Yeah!'Cause like a rabbit in your headlights,  
I am the beckon to your call.  
Just say jump, I'll say "How high?"  
'Cause I'm all too predictable.  
Yeah I'm all to predictable.
