Cliche Love Song

Basim

Scoo-be-doo-be-dap-dap-de-be-di
Scoo-be-doo-be-dap-dap-de-be-di
I love youYeah, come onI met this lady (Lady)
She was looking so damn fine
But she was crazy (Crazy)
It was all about party time
And lately (Lately)
I felt like something was wrong
So flaky and shaky
When the sun went downYeah, boop-boop-boop
When she walked in the room
Even girls, they whistle (whistle)
I know, it's hard to get it
She's a special girl
OohIt feels like
Scoo-be-doo-be-dap-dap-de-be-di
Scoo-be-doo-be-dap-dap-de-be-di
I love you
Another clichÃ©, babyScoo-be-doo-be-dap-dap-de-be-di
Baby, I'm-a do whatever you like
I love you
Another clichÃ©, babyWoah-oh-oh
Hey!
Woah-oh-oh
Ho!
Woah-oh-oh
Another clichÃ©Like Katy Perry (So sexy)
She could kiss a lucky girl
Tastes like cherry (Cherry)
Yeah, she could rock your world
Cloud seven (Seven)
I never felt like this before
She took me closer to heaven
Oh my God, let's goYeah, boop-boop-boop
When she walked in the room
Even girls, they whistle (whistle)
I know we could be together
You're a special girl
