

# I Wanna Be the Only One

## Eternal & Bebe Winans

Yes, I see you crying  
And I feel your broken heart  
I can feel your hurting  
Still you choose to play the part If you let me be  
(If you let me be)  
I'll be all you need, all you need I wanna be the only one to hold you  
(Protect you from the rain)  
I wanna be the only one to soothe you  
(Erase all the pain) I'm gonna be the only one to love you, love you  
(Over again)  
I wanna be the only one, the only one, the  
(Only one I am)  
Now you deserve a mansion  
(My Lord, you too)  
You can have the best of life  
With all this I'll give you  
A pure love that gold can't buy If you take a chance  
(If you take a chance)  
I'll be worth the chance, worth the chance I wanna be the only one to hold you  
(Protect you from the rain)  
I wanna be the only one to soothe you  
(Erase all the pain) I wanna be the only one to love you, love you  
(Over again)  
I wanna be the only one, the only one  
(The only one I am)  
I' wanna be the only one to hold you  
(Protect you from the rain)  
I wanna be the only one to soothe you  
(Erase all the pain) I wanna be the only one to love you, love you  
(Over again)  
I wanna be the only one, the only one  
(Only one I am) If you let me be  
(If you let me be)  
I'll be all you need If you take a chance, you're love  
(If you take a chance)  
I'll be worth the chance Oh my, if you just love me  
(If you just love me)  
You will gladly see  
I'm all you need Girl, I wanna be, I wanna be

I can play, you heard it? I wanna be the only one to hold you  
(Protect you from the rain)  
Yes, I'm gonna be the only one to soothe you  
(Erase all the pain) I'm gonna be the only one to love you, love you  
(Over again)  
Hey, I wanna be the only one, the only one  
(The only one I am) I'm gonna be the only one to hold you  
(Protect you from the rain)  
I'm gonna be the only one to soothe you  
(Erase all the pain) Yes, I wanna be the only one to love you, love you  
(Over again)  
Hey, I wanna be the only one, the only one  
(The only one I am) Yes, I'm gonna be the only one, the only one  
(The only one I am)  
I wanna be the only one, the only one  
(The only one I am) The only one, I wanna be the only one, the only one the  
(The only one I am)  
The only one, I wanna be the only one, the only one the  
(The only one I am)
