Every Moment

Chunk! No, Captain Chunk!

Am I afraid of all the things that I can change
What's to blame when all my weaknesses remain
We're all the same

Don't let me sink
Before I get to find the words that I've forgotten
Don't let me blink
I want to savor every moment

Tell me if you ever wake up thinking
If you ever wonder how it feels
Knowing it could end and there will come a time
When It's too late to say goodbye
Say goodbye

Can't lie awake
Can't live in fear of what's ahead
So now I'll take every chance until the end
Until the end

So let's just do it
Let's break it upfront, this might be your last chance
So do it before it's too late
Push yourself to the limit
Drop off your gun
Take control of your life
