Strange Highways

Dio

It's a crazy world we live in And I'm leaving it today For another institution We crazy people play Every time I climb the mountain And it turned into a hill I promised me that I'd move on And I will.I, I, good for nothing Going nowhere, so they say Hey, someone give me blessings For they say that I have sinned That when I crawl inside myself And ride into the wind On Strange Highways On Strange HighwaysHey you! I want your number Don't even wonder We do things our way here **Ouestions** These are forbidden We got no answers Believe us anywaySo here is my confession: It's the only broken rule Sometimes I crawl inside of me Where I can't be the fool On Strange Highways On Strange HighwaysOhYou can see the other side And you shall come over You can't leave the other side If you say I willEverytime I climb the mountain And it turned into a hill Well, I promised me I'd disappear And now I know I willSo, someone give me blessings For the times you say I've sinned So I can crawl inside myself And ride into the wind On Strange Highways

On Strange HighwaysQuestions
They're forbidden

Hey you, what's your number
Oh, we've got no answers
Don't you even wonderOh, Strange Highways
Ooh
