

Born To Die

Lana Del Rey

(What? Who, me? What?) Feet don't fail me now
Take me to the finish line
Oh my heart it breaks, every step that I take
But I'm hoping at the gates,
They'll tell me that you're mine Walking through the city streets
Is it by mistake or design?
I feel so alone on the Friday nights
Can you make it feel like home
If I tell you you're mine?
It's like I told you honey Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough, I don't know why
Keep making me laugh
Let's go get high
The road is long, we carry on
Try to have fun in the meantime Come and take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane, so
Choose your last words
This is the last time
'Cause you and I
We were born to die Lost, but now I am found
I can see, but once I was blind
I was so confused as a little child
Trying to take what I could get
Scared that I couldn't find
All the answers, honey Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough, I don't know why
Keep making me laugh,
Let's go get high
The road is long, we carry on
Try to have fun in the meantime Come and take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane, so
Choose your last words
This is the last time
'Cause you and I
We were born to die
We were born to die
We were born to die Come and take a walk on the wild side

Let me kiss you hard in the pouring rain
You like your girls insane, so Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough, I don't know why
Keep making me laugh
Let's go get high
The road is long, we carry on
Try to have fun in the meantime Come and take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane, so
Choose your last words
This is the last time
'Cause you and I
We were born to die
We were born to die
(We were born to die)
