

# Elevate (feat. Anne-Marie)

## Gorgon City

Uh, ooh  
I, I feel electric, feel it coming on  
It's what we do  
I, I've been waiting just to sing a song  
Just to keep, keep it rising with the sun  
Keep it rising  
Make me feel like number one  
Come and fight it You got me feeling like I'm in a cloud  
We were meant to stand out from the crowd  
And you know we're never coming down, down, down, down  
Elevate, vate  
Elevate, vate I, I've been holding on to us all night (Me and you)  
Move, move your body like it's supposed to, supposed to  
No you seen fighting we have won, reunited  
If we're not bringing no love, what we bringin'? You got me feeling like I'm in a cloud  
We were meant to stand out from the crowd  
And you know we're never coming down, down, down, down  
Elevate, vate  
Elevate, vate  
Elevate, vate Keep it rising  
Keep it rising  
Keep it rising  
Keep it rising  
Elevate, vate  
Elevate, vate  
Elevate, vate Keep it rising  
Keep it rising
