

Cleanup Vacuum Cleaner

Jack Hartmann

Chorus

Iâ€™m a cleanup vacuum cleaner

Zoom Zoom Zoom

Iâ€™m a cleanup vacuum cleaner

Clean my room

Iâ€™m a cleanup vacuum cleaner

Zoom Zoom Zoom

Iâ€™m a cleanup vacuum cleaner

Clean my room

Cleanup â€“ Cleanup â€“ Cleanup -Cleanup

My arms are like the vacuum that picks everything up

My legs are like the wheels that roll until I stop

My muscles are the power that help me move

My bodyâ€™s like a strong and fast cleaning tool

(Chorus)

I pick up toys, I pick up things, I clean up pick up everything

I do my job, I make it fun

I keep on going till Iâ€™m done

I have a button, push it on

I put things back where they belong

I work with other vacuums, too

Together thereâ€™s more we can do

Cleanup â€“ Cleanup â€“ Cleanup - Cleanup

Vac vac Vacuum cleaner â€“ Vac vac Vacuum cleaner

Vac vac Vacuum cleaner â€“ Vacuum Cleaner Vacuum Cleaner

Vac vac vac Vacuum cleaner â€“ Vac vac Vacuum cleaner

Vac vac Vacuum cleaner

Vacuum Cleaner - Vacuum Cleaner

(Chorus)

We work together - We do it better

Like a machine - Weâ€™re proud itâ€™s clean

We know the home - Where things belong

The best we can - With our friends

Vacuum cleaner, vac, vac vacuum cleaner, vac vac vacuum cleaner
