Red

Elbow

Come as you are sweetheart, come as you are
You know you've got nothing to prove
I'll put you to bed you can let it all go
You've been playing too rough lately
You burn too bright
You live too fast
This can't go on too long
You're a tragedy starting to happen
Just as you are. Perfect just as your are
I'll give you the time you deserve
Don't make those promises
Don't tell me again
That dust is gonna settle your nerves
