

# Stuff

## Diamond Rio

Catalogs fillin' up the mailbox  
Home shopping on the cable box  
WWW dot, oh there's no escape  
Delivery truck coming up 'round the bend  
Beep, beep, beep, just backing in  
Sign here and here and here again  
'Cause it's no money down, no payments till  
Your whole place is cram packed filed with  
Stuff, stuff, stack it on stack it on up  
Stuff, never gonna ever get enough  
Stuff, oh, oh it's treasure till it's mine  
Then it ain't worth a dime  
It's stuff, stuff, spreading like weeds  
Dragging me under in an endless sea of stuff  
Stuff, are there ain't no end?  
Got to get a bigger place so I can move in more stuff  
It's getting late but it's alright  
The get it all mart's opened up all night  
You can catch it all with a quick swipe  
It's easier everyday  
SUV's and mini vans, parading 'round in caravans  
Toting off more than their tires can stand  
'Cause it's no money down no payments till  
Every square inch of the whole world's filled with  
Stuff, stuff, stack it on stack it on up  
Stuff, never gonna ever get enough  
Stuff, oh, oh it's treasure till it's mine  
Then it ain't worth a dime  
It's stuff, stuff, spreading like weeds  
Dragging me under in an endless sea of stuff  
Stuff, are there ain't no end?  
Got to get a bigger place so I can move in more stuff  
Drag it in, pack it in  
The man with the most  
He just wins more stuff  
Stuff, stuff, stack it on stack it on up  
Stuff, never gonna ever get enough  
Stuff, oh, oh it's treasure till it's mine  
Then it ain't worth a dime  
It's stuff, stuff, spreading like weeds  
Dragging me under in an endless sea of stuff  
Stuff, are there ain't no end?  
Got to get a bigger place so I can move in more stuff  
Oh, stuff, never get enough, stuff
