Hummer

Pulla Lubana

Quite a heartbeat
You're quite a heartbeat
Race right through you
You sleep like small stars fly back home
Quite a heartbeat
(Shine like million)
You're quite a heartbeat
(Shine like million)
Race right through you
(Shine like million)
You sleep like small stars fly back home
I, come on
I, come on
I, come on
I, come on
Oh, come on
Oh, come on
Oh, come on
Oh, come on
We are everywhere
We are everywhere
We are everywhere
We are everywhere
I, come on
I, come on
I, come on
I, come on

Oh, come on
Oh, come on
Oh, come on
Oh, come on
Quite a heartbeat
(Shine like million)
You're quite a heartbeat
(Shine like million)
Race right through you
(Shine like million)
Have we come too far to get home?

Quite a heartbeat
(Shine like million)
You're quite a heartbeat
(Shine like million)
Race right through you
(Shine like million)
You sleep like small stars fly back home
I, come on
I, come on
I, come on
I, come on
Oh, come on
Oh, come on
Oh, come on
Oh, come on
