UK Accent

[Fabian Mazur](#)

My them wanna test me what's up fam UK accent can you understand
(w-what's up fam)
w-when I come through in a web god damn, my them wanna trade me what's up fam

(What's up fam)
(UK accent can you understand)
My them wanna test me what's up fam UK accent can you understand
when I come through in a web god damn, my them wanna trade me what's up fam
My them wanna test me what's up fam UK accent can you understand
when I come through in a web god damn, my them wanna trade me what's up fam
My them wanna test me
(UK accent can you understand)
What's up fam
