

My Baby You

Marc Anthony

As I look into your eyes
I see all the reasons why
My life's worth a thousand skies You're the simplest love I've known
And the purest one I'll own
Know, you'll never be alone Chorus:
My baby you
You are the reason I could fly
And cause of you
I don't have to wonder why Baby, you
There's no more just getting by
You're the reason I feel so alive Though these words I sing are true
They still fail to capture you
As my words can only do How do I explain that smile?
And how it turns my world around
Keeping my feet on the ground My baby you
You are the reason I could fly
And 'cause of you
I don't have to wonder why Baby, you
There's no more just getting by
You're the reason I feel so alive (Oh) I will soothe you if you fall
I'll be right there if you call
You're my greatest love of all You are the reason I could fly
And 'cause of you
I don't have to wonder why My baby, you
There's no more just getting by
You're the reason I feel so alive
Music makes me feel so alive.
