

O Holy Night

The Priests

Oh holy night, the stars are brightly shining
It is the night of the dear Savior's birth
Long lay the world in sin and error pining
'Til He appeared and the soul felt its worth
A thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees, oh hear the angel voices
Oh night divine, oh night when Christ was born
Oh night divine, oh night, oh night divine
Led by the light of faith serenely beaming
With glowing hearts by His cradle we stand
So led by light of a star sweetly gleaming
Here came the wise men from the Orient land
The King of kings lay thus lowly manger
In all our trials born to be our friends
He knows our need, He guardeth us from danger
Behold your King, before Him lowly bend
Behold your King, before Him lowly bend
