Autumn

Mia Doi Todd

No, no, no, no, no
You owe me nothing
No, no, no, no no
I'm not your job
No, no, no, no, no
We should just walk away
We both know
We know it's hard.

autumn comes to seaside town
A little later than the rest
The leaves hold on a little longer
Than they would have out west

no, no, no, no, no
You owe me nothing
No, no, no, no no
I'm not your job
No, no, no, no, no
We should just walk away
We both know
We know it's hard.

the leaves let go,
So let them go...
The leaves let go,
So let them...
