Fresh Air (Excerpt, Live)

Quicksilver Messenger Service

Oh, what you do to me, oh, what you do to me, little girl.
Ooo, have another hit of sweet air, come on, ooo, have another hit.
I want to know where you're going,
I want to know, sweet mama, where you're gonna go, yeah.
Ooo, have another hit of fresh air, ooo, have another hit.
Oh, baby, what you gonna do, oh, honey, what you gonna do, sweet thing?
Ooo, have another hit of sweet love, ooo, have another hit.
I love you, yes I do, babe, and I love you, I do, sweet lips.
Ooo, have another hit of sweet California sunshine, ooo, have another hit.
Take me home, take me home, take me home with you,
Take me home, I wanna go home with you, little girl.
Ooo, have another hit of fresh air, ooo, have another hit.
